

(**ORPHEUS** *reappears.*)

ORPHEUS.

Mister Hermes?

HERMES.

Hey, the big artiste!

Ain't you workin' on your masterpiece?

ORPHEUS.

Where's Eurydice?

HERMES.

Brother, what do you care?

You'll find another muse somewhere

ORPHEUS.

Where is she?

HERMES.

Why you wanna know?

ORPHEUS.

Wherever she is is where I'll go

HERMES.

And what if I said she's down below?

ORPHEUS.

Down below?

HERMES.

Down below

Six feet under the ground below

She called your name before she went

But I guess you weren't listening

ORPHEUS.

No!

HERMES.

So

Just how far would you go for her?

ORPHEUS.

To the end of time

To the end of the earth

HERMES.

You got a ticket?

ORPHEUS.

No

HERMES.

Yeah, I didn't think so

Course, there is another way, but –

Nah, I ain't supposed to say

ORPHEUS.

Another way?

HERMES.

Around the back
But that ain't easy walkin', Jack
It ain't for the sensitive of soul
So do ya really wanna go?

ORPHEUS.

With all my heart

HERMES.

With all your heart?
Well, that's a start
